

Scrip Program

Support PCDC through Scrip. What is Scrip? Many businesses make available gift certificates from which a portion is received by PCDC.

Some of the businesses are for things we get anyway (groceries, gasoline, hardware, and a wide variety of restaurants), so when we use Scrip, we can get our everyday needs, and support PCDC, too.

Other gift certificates are things we may not use every day, but use sometimes. Shopping for back to school clothes, shoes, etc.? Get some Scrip, and shop with that. Need a gift for that person that is hard to buy for? Get him/her a gift certificate. There is likely something for everyone. And, of course, a wide variety of restaurants. All Scrip gift certificates yield a percent to PCDC.

The following gift certificates are kept in stock and can be purchased after each Sunday Worship service, or at PCDC office Tuesday through Friday during PCDC hours.
